

Medley Stripe

8126 | 52

\$64

Use: Wallcoverings

Solution: [High Performance Wallcovering](#)

Contents: Digitally Printed TPO Technology - 90% Thermoplastic Olefin, 10% Post Consumer Recycled Glass

Make walls come to life like never before. Carnegie has pioneered the development of PVC-free digitally printed wallcoverings. Digital printing offers a vast range of color choices and scale that are unmatched by traditional roller printing—allowing designers more opportunities than ever to create beautiful interiors with high impact.

Medley Stripe's reinterpretation of a stripe adds a painterly texture that heightens with subtleties within each hue. Medley Stripe is reminiscent of bamboo and natural forests and evokes a mood of tranquillity that will enhance the ambiance in any space.

Performance

Medley Stripe meets or exceeds requirements for a type II wallcovering under CCC-W-408D
