TERMS OF SALE

All Xorel Artform orders are a custom, made to order production and require 50% deposit.

WARRANTY

We warranty Xorel Artform panels for a period of 5 years from purchase date. Any Xorel Artform panels that are defective in workmanship will be replaced at no charge. Ordinary wear and tear, unacceptable temperature/humidity variation, poor installation methodology and abuse or neglect is excluded.

*Correct installation method must be used for warranty to be in force. Panels must be used within standard industry limitations.

CLAIMS

All claims pertaining to our products must be made in writing no later than 60 days from the date of invoice. If a return authorization is issued, the goods must be received in our warehouse with 30 days of that issue date for a credit to be processed.

All products should be examined carefully before installation to verify that pattern, color, shape, size, substrate, and quality conform to the order. Under no circumstances will we be responsible for labor changes.

CANCELLATIONS

Requests to cancel orders will be examined individually and only if received in writing. Cancellations will absolutely not be accepted on orders which have been processed at customer's request.

Substrate Options and Acoustical Performance

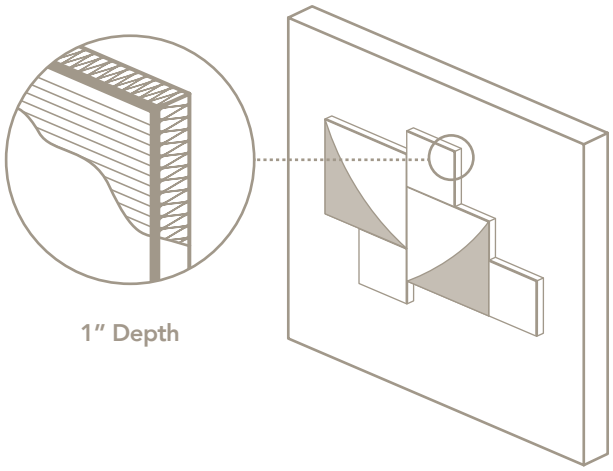
Xorel Artform is available in three substrates: Quiet-Core™, Quiet-Core Plus™, and Mi-Core™

Quiet-Core™

This acoustical substrate is sound absorbing, formaldehyde-free and manufactured with 20% post-consumer recovered materials. It is available in a 1" thickness and used for all 3D shapes. It meets ASTM E84 Class A/Class 1.
Not recommended as a tackable surface.

Acoustical Performance

250Hz	.35
500Hz	.97
1000Hz	.91
2000Hz	.49
4000Hz	.35
NRC	**.70**



1" Depth

New Substrate

Quiet-Core Plus™

Quiet-Core Plus is a tackable and acoustical solution. Constructed with a 1/8" high density substrate of inorganic minerals & wool blend fastened to the face of the standard Quiet-Core panel. **This panel provides tackability (all 3D shapes are not tackable) and exceptional acoustical performance.** Also ideal for high traffic areas.

Acoustical Performance

Substrate Options and Acoustical Performance

Xorel Artform is available in three substrates: Quiet-Core™, Quiet-Core Plus™, and Mi-Core™

Mi-Core™

This **tackable** substrate offers moderate acoustical properties. Mi-Core™ is constructed with inorganic minerals and fibers making it resistant to moisture and warping. **Mi-Core is a dense material recommended for high traffic areas.** It is available in ½" & ¾" thickness. It meets ASTM E84 Class A/Class 1.

3D shapes are not available in Mi-Core Substrate.

Box Sets

Xorel Artform is priced and sold in box sets of the same shape, size, substrate, fabric and color. Each box arrives to the job site securely packed and includes all installation and adhesive materials.

Ceiling Horizontal Suspension Individual hardware is sold separately. Fast Delivery: 2–6 week lead time.

Standard
3-6 panels/box

3D
3-4 panels/box

Baffle
3-6 baffles/box

Minimum order is 1 box.

Dimensional Orientation
Box sets of Hex, Waveline, and Square 3D panels include "handed" shapes which feature the dimensional element oriented towards either right or left. This attention to detail ensures that the specified Xorel fabric weave is wrapped along the panel in the same direction so that fit and finish are not compromised when changing panel orientation. Two of each handed shape are included in each box set.

Installing Artform

Wall Mounted Installation

Fast and easy to install with little disruption or major clean up, Xorel Artform is the optimal solution to address post-occupancy acoustical issues. Panels are lightweight and install simply with a Quick Grab adhesive, 3M Command™ strips or Velcro® fastners, eliminating the high labor costs associated with rail and hardware systems.

To ensure complete customer satisfaction and achieve superior installation results, a Preferred Installer Network of vetted and trained professionals expert in the capabilities, ordering and installation practice of Xorel Artform is available as an added service.

Flush Mounting Options

Quick Grab
Quick Grab adhesive is a VOC-compliant construction adhesive with very low odor for little to no off-gassing. It fits standard caulk guns for easy installation.

Quick Grab Concrete
Xorel Artform can be installed on flat and smooth concrete surfaces with Quick Grab Concrete. Use on highly textured surfaces could potentially result in uneven installation.

Velcro® Fasteners
Velcro fasteners are also offered as a flexible mounting option.

3M Command™ Strips
Command Strip install method enables the product to be mounted securely and then removed with no damage to the panels or painted wall. Panels then can be boxed and transported to the next location and mounted again; even in a new configuration.

UP CHARGES:

3 Panel Box Sets (and Cross shape): $38/box

4 Panel Box Sets: $52/box

6 Panel Box Sets: $80/box

Installing Artform

Ceiling Mounted Installation

The ability to horizontally hang panels or panel groupings to reduce reflected sound opens up the opportunities for creative acoustical solutions overhead. Xorel Artform acoustic Quiet-Core™ panels are lightweight and can be flush-mounted onto sheetrock and concrete ceilings or suspended. Suspension mounting in tiled configurations or single panels is simple when ordered with our ready-to-fasten hardware system.

Ceiling Horizontal Suspension for Individual Panels

Flush Mounting Options

Quick Grab
Quick Grab adhesive is a VOC-compliant construction adhesive with very low odor for little to no off-gassing. It fits standard caulk guns for easy installation.

Quick Grab Concrete
Xorel Artform can be installed on flat and smooth concrete surfaces with Quick Grab Concrete. Use on highly textured surfaces could potentially result in uneven installation.

Horizontal Suspension Options

Ceiling Horizontally Suspended—Tiled
Xorel Artform panels are manufactured with ready-to-fasten hardware. Hanging rods and joiner strips for tiling are included in each box set.

Not available in Small size shapes. Not applicable for Cross panel shape. Must tile in groups of three or more.

UP CHARGES:
3 Panel Box Sets: $110/box
4 Panel Box Sets: $150/box
6 Panel Box Sets: $220/box

Ceiling Horizontally Suspended—Individual
Xorel Artform panels are manufactured with ready-to fasten hardware for individual suspension mounting. Installation materials, including plate and rod hardware, is sold separately.

UP CHARGES:
3 Panel Box Sets: $120/box
4 Panel Box Sets: $160/box
6 Panel Box Sets: $240/box

Available in select shapes and sizes: Circle/Circle 3D/Hex/Hex 3D in sizes M/L/XL/2XL/3XL, Criss/Scale/Square/Square 3D/Tall Hex in size L, Diamond/Diamond 3D in sizes L/XL/2XL, Waveline/Waveline 3D in sizes M/L.

Ceiling plate hardware is paintable, Krylon dual paint-primer spray is recommended. Rod hardware must be primed prior to painting.

Installing Artform

Vertically Suspended Baffle Installation

Vertically suspended ceiling baffles not only open up design possibilities but also allow for sound absorption on both sides for increased sound clarity. Especially suited for large spaces or areas with limited wall space, baffles can be vertically suspended using hanging rods or cables on all ceilings, including drop ceilings.

Ceiling Vertically Suspended Baffles Using Cables

Suspension Mounting Options

Ceiling Vertically Suspended Baffles Using Cables

Xorel Artform baffles are manufactured with ready-to-fasten hardware for ceiling suspension. Installation materials, including cables and pendants, for vertically suspended baffles are included in each box set.

UP CHARGE:

3 Baffle Box Set: $50/box

6 Baffle Box Set: $100/box

Ceiling Vertically Suspended Baffles Using Rods

Xorel Artform baffles are manufactured with ready-to-fasten hardware for ceiling suspension. Installation materials, including hanging rods, for vertically suspended baffles are included in each box set.

Drop Ceiling Vertically Suspended Baffles Using Cables

Drop Ceiling Vertically Suspended Baffles Using Cables

Xorel Artform baffles are manufactured with ready-to-fasten hardware for drop ceiling suspension. Installation materials, including cables and T-bar clips, for drop ceiling suspension are included in each box set.

UP CHARGE:

3 Baffle Box Set: $60/box

6 Baffle Box Set: $120/box

Drop Ceiling Vertically Suspended Baffles Using Rods

Xorel Artform baffles are manufactured with ready-to-fasten hardware for drop ceiling suspension. Installation materials, including T-bar clips and rod hardware, for drop ceiling

Installing Artform

Dual-Sided Partition Installation

Xorel Artform Cascade and Connect provides a bold interior statement that effectively divides open spaces. Especially suited for large spaces or areas with limited wall space, dual-sided partitions can be vertically suspended using cables on all ceilings, including drop ceilings.

Ceiling Vertically Suspended Partitions Using Cables

Suspension Mounting Options

Ceiling Vertically Suspended Dual-Sided Partitions Using Cables

Xorel Artform Cascade and Connect are manufactured with ready-to-fasten hardware for ceiling suspension. Installation materials, including cables and pendants, for the vertically suspended partitions are included in each box set.

Drop Ceiling Vertically Suspended Partitions Using Cables

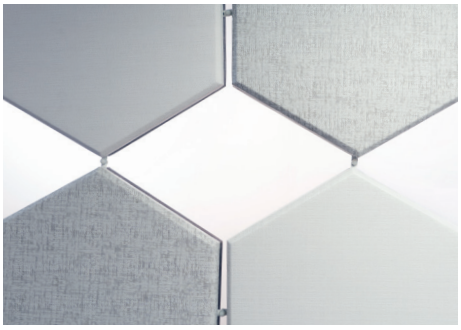
Drop Ceiling Vertically Suspended Dual-Sided Partitions Using Cables

Xorel Artform Cascade and Connect are manufactured with ready-to-fasten hardware for drop ceiling suspension. Installation materials, including cables and T-bar clips, for drop ceiling suspension are included in each box set.

Hardware for Cascade

Cables and pendants connect the baffles vertically with pre-attached tabs. Available in silver, white or black finish.

Hardware for Connect



Acorn nuts and 0.5" studs connect the baffles horizontally and vertically with pre-attached tabs. Available in silver, white or black finish.

CIRCLE CASCADE

Each Cascade can be purchased individually or all together as a Circle Cascade kit. A Circle Cascade Kit consists of Circle Casades 2-6, and a single Circle baffle.

Circle Cascades 2-5 must consist of duplicate dual-sided baffles with up to 2 textile selections. Circle Cascade 6 can have up to 4 textile selections if purchased on its own.

HEX CASCADE

Each Hex can be purchased individually or all together as a Hex Cascade kit.
A Hex Cascade Kit consists of Hex Casades 2-6, and a single Hex baffle.

Hex Cascades 2-5 must consist of duplicate dual-sided baffles with up to 2 textile selections. Hex Cascade 6 can have up to 4 textile selections if purchased on its own.
