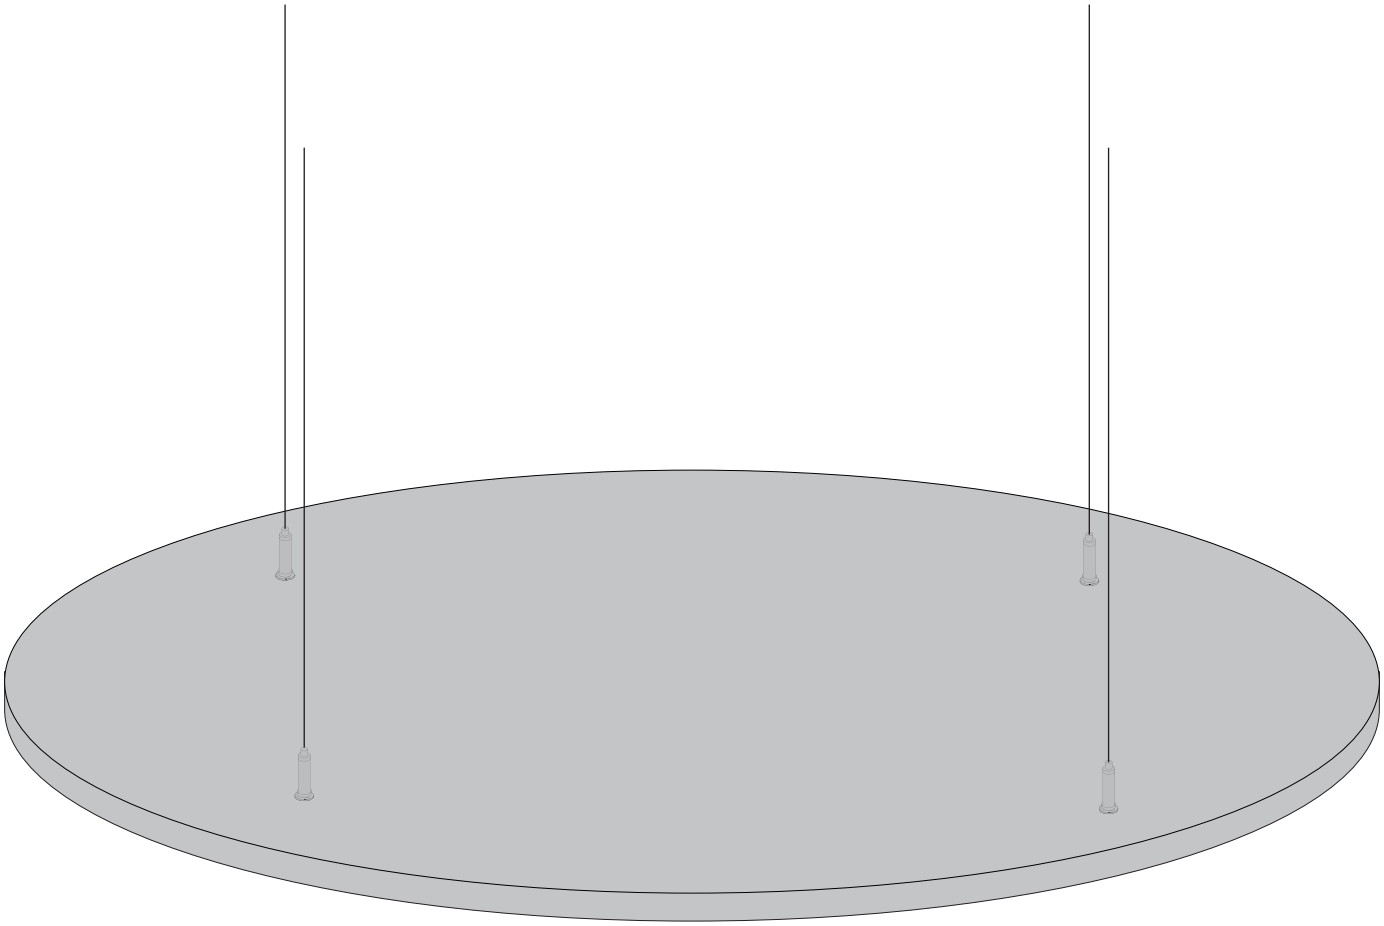
CLOUDS

INSTALLATION GUIDE



Xorel
ARTFORM®

IMPORTANT INFORMATION

Installation
Please read the entire Installation Guide prior to application. This installation guide is intended to provide installers with helpful information regarding Xorel Artform Clouds prior to installation. Carnegie accepts no responsibility for installation actions taken or not taken. This installation guide is not intended to be an in-depth guide; installer's knowledge as an experienced tradesman needs to be applied.

If you have questions about application or techniques, contact Carnegie. Carnegie will not be responsible for any cutting or mounting not performed by Carnegie.

Terms of Trade
All Xorel Artform products are inspected prior to shipment. Carnegie is not responsible for damage in shipment or in storage; customers should carefully inspect all items at time of delivery and note any obvious damage on the delivery receipt. For the customer's protection subsequently discovered concealed damage must be reported immediately to the carrier. Claims to Carnegie will not be considered if the product has been worked on by the customer or others. No claims for labor charges will be allowed in any circumstances.

Work Safety
In the interest of work safety, it is recommended that people working with Xorel Artform wear the appropriate safety equipment. Although the product emits zero off-gases, masks and gloves should be worn to ensure the maximum possible safety precautions. For an SDS form, please contact Carnegie.

Product Notes
Xorel Artform Clouds' acoustic performance will alter based on a variety of factors including spacing between clouds. Xorel textiles are directional and can reflect light differently, looking slightly lighter or darker depending on placement.

Cleaning & Handling
Do not store Xorel Artform Clouds vertically, please store laying flat. See the Handling and Cleaning Guide for more information.

Xorel Artform Cloud Specs
See the Carnegie website for product details and information.

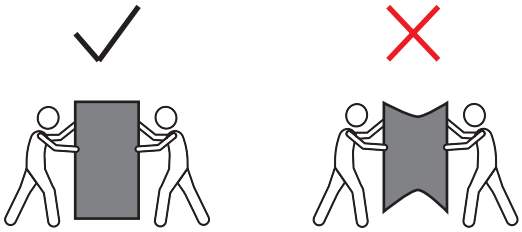
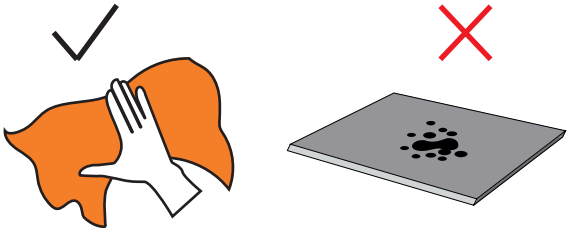
HANDLING

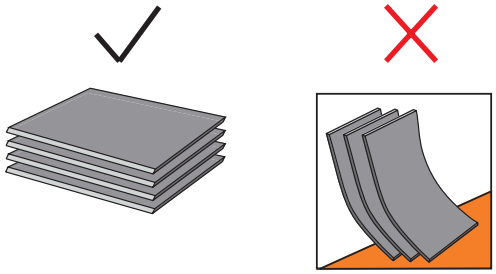
Carry boxes and products upright.



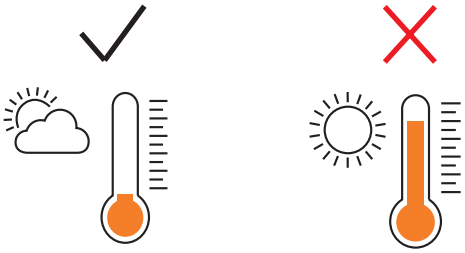
Keep all surfaces clean for storage and fabrication.



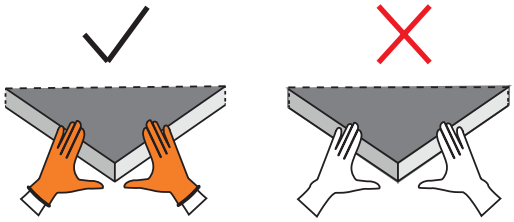
Store boxes and products flat.



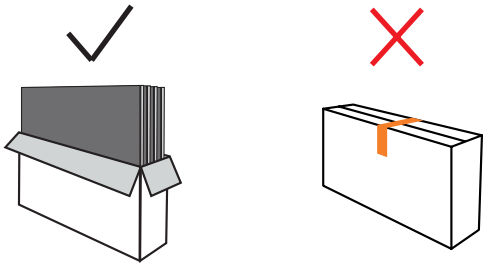
Store in a cool, dry place with no direct sun.
Avoid 145 degree temperatures or greater.



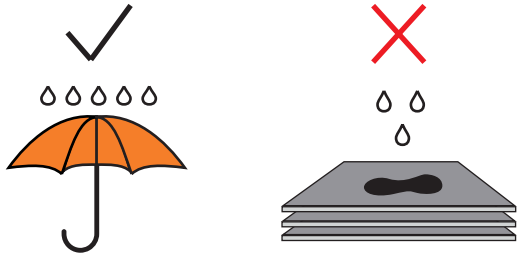
Wear gloves for handling light colors.



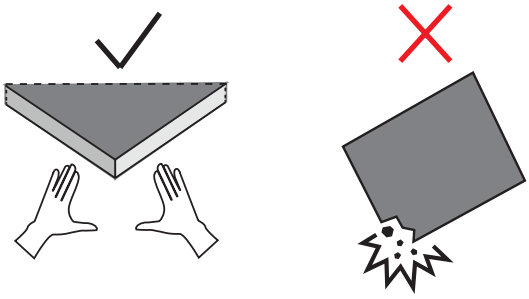
Upon delivery, inspect all goods for order corrections and damage.



Keep product dry and avoid humidity.

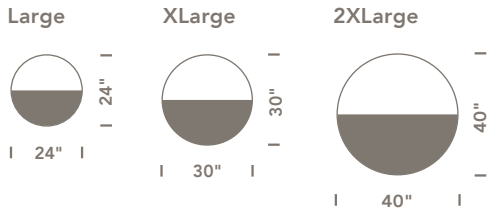


Protect the edges.

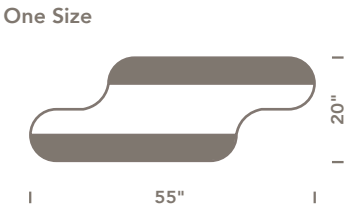


DIMENSIONS

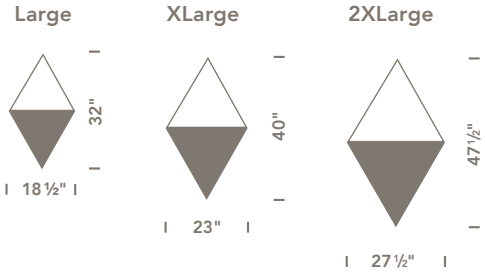
Circle / Circle 3D Cloud



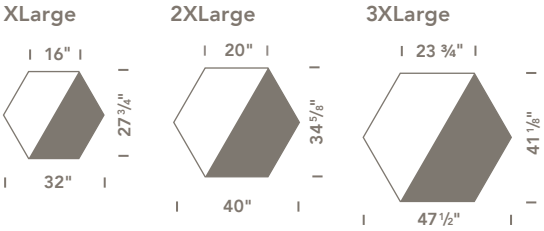
Cumulus 3D Cloud



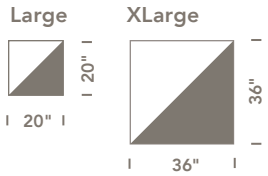
Diamond / Diamond 3D Cloud



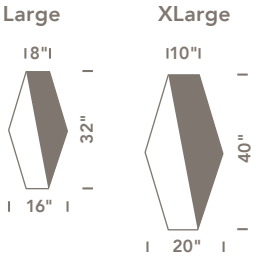
Hex / Hex 3D Cloud



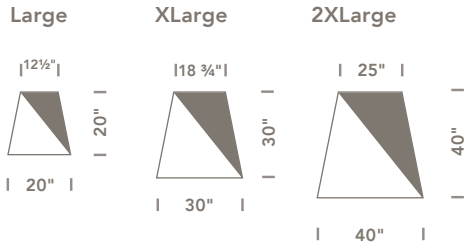
Square / Square 3D Cloud



Tall Hex / Tall Hex 3D Cloud

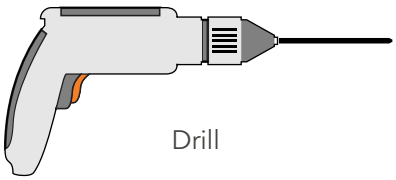


Waveline / Waveline 3D Cloud



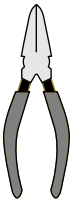
TOOLS NEEDED

Level

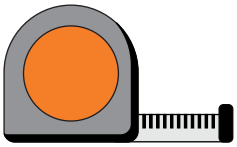


Drill

Crimper



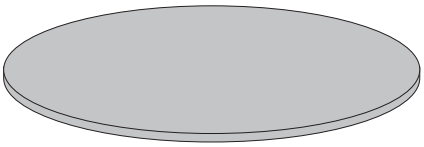
Wire Cutter



Tape Measure

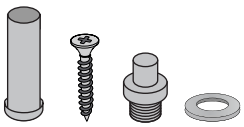
Not all tools are needed for installation, but depending on install choice, could be used.

ITEMS INCLUDED



Acoustic Cloud

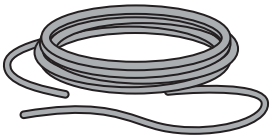
- Per style and quantity ordered.



Hardware Kit

- (4) Griplocks
  (4) Screws
  (4) Griplock Caps
  (4) Washers
- (1) Hardware kit per cloud

ITEMS NOT INCLUDED



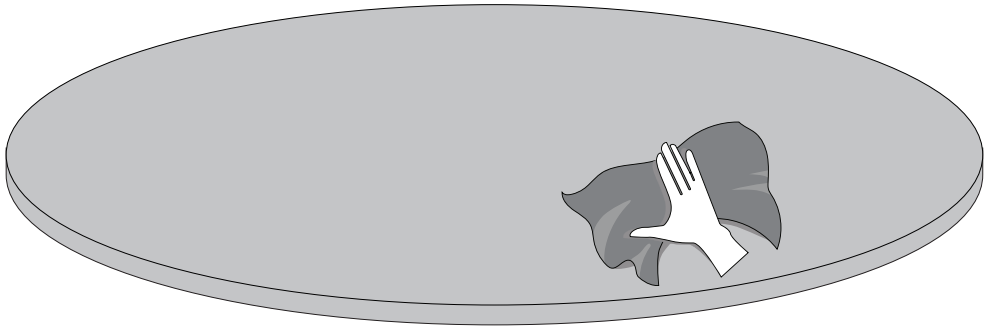
Compatible aircraft cables for the supplied cable grippers are 3/64" - 1/32"

Aircraft Cable

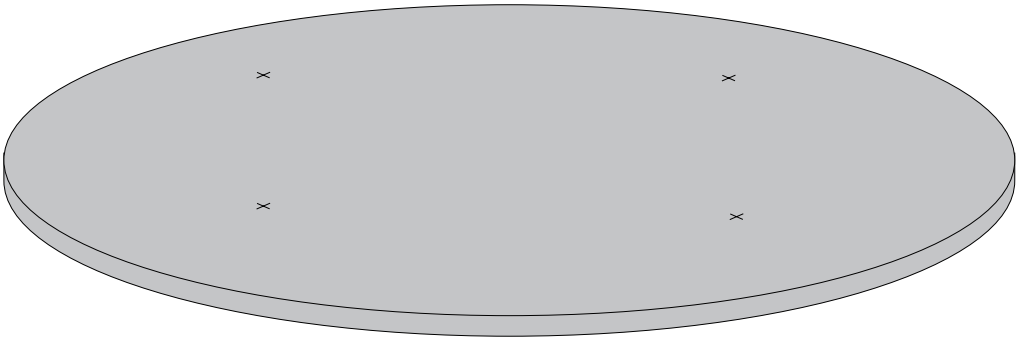
INSTALLATION

The safest and easiest install is achieved by evaluating the location in advance to determine and ensure that cable path from ceiling is unobstructed. Typically two people are needed for most install applications. Clouds are shipped ready to install, hardware assembly required.

1. Remove clouds(s) from the box confirm color, undamaged condition, compatibility of hanging hardware, and clean any debris off the clouds. Determine location of install and ensure that cable path from ceiling is unobstructed.



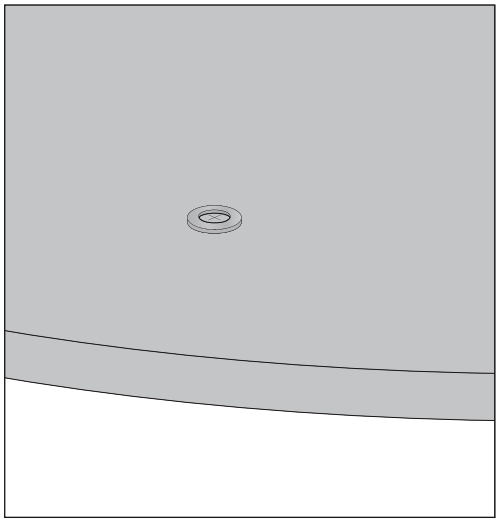
2. Cloud Griplock Cable Gripper Mounts are intended to be mounted symmetrically 6-10" from the outer edge of the cloud. Measure and mark location for hardware.

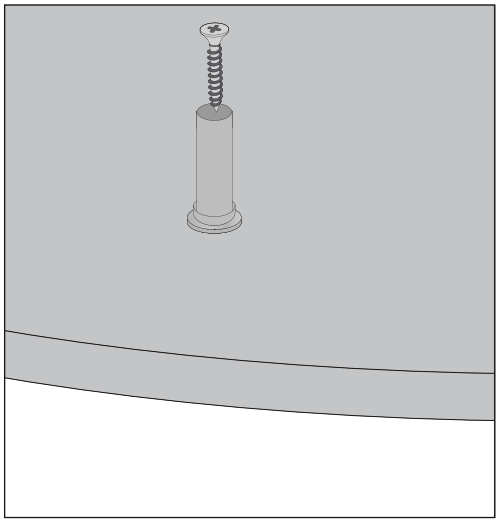


INSTALLATION

3 Using provided screws and washers, mount Cable Grippers positioning the washer under the Gripper and screw snug.

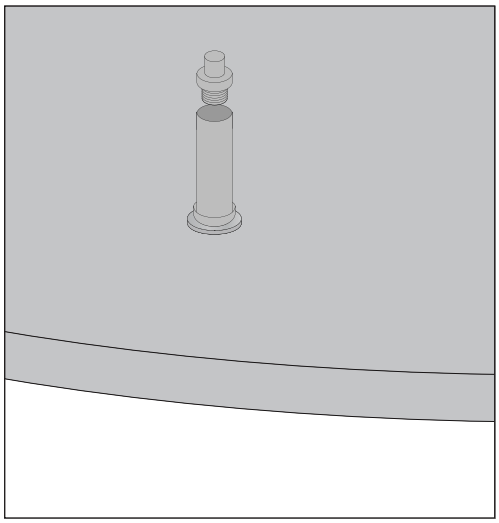
Note: Do not over-tighten.

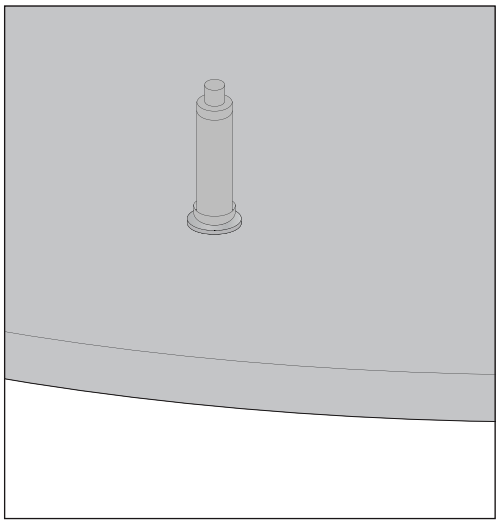




4 Screw on Griplock caps. The Cloud assembly is now ready to attach to the installer-provided 1/32" cable drop. Cables run from the Cable Gripper Mounts to the ceiling.

Note: Ceiling mounting hardware and suspension items are not included.

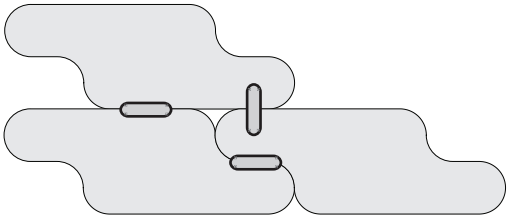




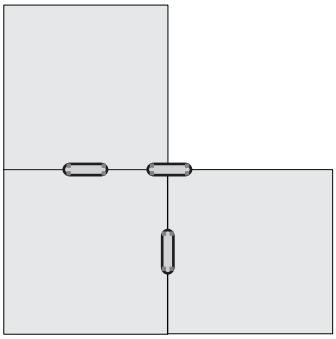
INSTALLATION

5 Cloud joiners are available upon request. Quantities may vary based on the specific requirements of your installation. Each joiner measures 10" x 3" and includes four screws for secure attachment.

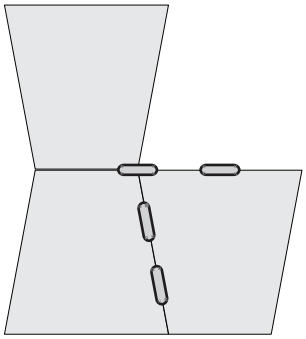
Cumulus Cloud



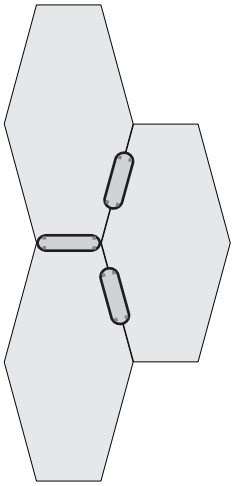
Square Cloud



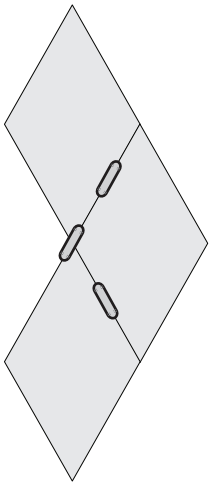
Waveline Cloud



Tall Hex Cloud



Diamond Cloud



Hex Cloud
